

Delta Highway Construction May - July 2006

A new driving surface will be installed this spring and summer along the entire length of Delta Highway, in both directions from I-105 to Beltline Road.

Construction work will occur during the evening hours from 7:00 PM to 6:00 AM. Some nighttime traffic detours and ramp closures will be required from May 1 through July 31. However, all traffic lanes and ramps will be open each day from 6:00 AM to 7:00 PM.

For detailed information about the Delta project, other regional road projects and available transportation options, go to: www.KeepUsMoving.info or call the Metro Road Report Hotline at 984-8484.
